

Way2Go

Way2Go Volunteer Management Training
Making volunteer management easy.

www.vrb.org.au

“You make a
living by what
you get. You
make a life by
what you give...”

Winston Churchill

IS YOUR NOT FOR PROFIT ORGANISATION STRUGGLING WITH THE COMPLEXITIES OF MANAGING VOLUNTEERS?

The Way2Go training program makes establishing and maintaining compliant volunteer management systems easy.

Way2Go volunteer management training takes the hard work out of developing, reviewing and updating volunteer management systems. Way2Go is funded through the 2018 Victorian State Budget investment in volunteering to provide training and mentoring for managers of volunteers across locations in 2019, and supports the implementation of compliant, best practice volunteer management systems.

The Way2Go program includes online training, as well as practical and customisable policy and procedure templates built for the real world from over 9 years of program delivery.

YOU'LL ALSO BECOME
PART OF A SIGNIFICANT
NETWORK OF OTHER
VOLUNTEER COORDINATORS
AND MANAGERS, ALL WITH
SUBSTANTIAL KNOWLEDGE
AND EXPERIENCE TO SHARE.

RESOURCES, TRAINING AND SUPPORT

Customisable Templates and Resources

The Way2Go ToolKit provides a suite of hardcopy and electronic templates that can be effectively 'cut and paste' and customised for your organisation. Templates include volunteer policies, volunteer registration forms, induction procedures, dismissal procedures and so on.

Way2Go templates have been tried and tested over the course of 9 years of program delivery, so you can be confident of their usability in the real world.

All Way2Go materials are fully compliant with National Standards for Volunteer Involvement and are refreshed annually.

Flexible Training Options

Navigating the complexities of volunteer management requirements can be overwhelming. Way2Go training can provide face to face or the online option, and all training is delivered in plain English, using easily understandable terminology.

Participants in classroom training enjoy the opportunity to share experiences with other volunteer managers, while those preferring to study in their own time and space find the online resources user friendly and very easy to work through.

Contact AWVRB for further details, for face to face training and workshops.

Ongoing Support

With Way2Go you're not on your own. Whether you have a question, want to talk through a live issue or need some problem solving assistance, the Way2Go team are available to help. Support is provided over the telephone or via email and an annual update to the Way2Go ToolKit is available for a small fee.

WHO SHOULD ENROL IN Way2Go?

LET'S GET YOU ON YOUR WAY!

- 1 Any not for profit organisation engaging volunteers
- 2 Organisation leaders, volunteer coordinators/managers, HR leads (paid and unpaid)

Online training inclusions:

- 5 hours of self-paced interactive training and information with unlimited access
- Fully downloadable Way2Go ToolKit
- Fully downloadable and editable templates
- Ongoing support from the Way2Go Volunteer Management Team

About Way2Go

The Way2Go Volunteer Training Program and ToolKit was developed in 2007 by the Albury Wodonga Volunteer Resource Bureau in response to demand from not for profit organisations grappling with their volunteer workforce responsibilities. Over 2,000 volunteer managers and coordinators have benefited from the training, positively impacting over 8,000 volunteers.

The Way2Go program has been funded through the 2018 Victorian State Budget investment in volunteering to provide training and mentoring for managers of volunteers across locations in 2019.

Purchase the Volunteer Managers Online Training and Resource ToolKit - \$199 (includes GST).

Training / Workshops – Contact us to negotiate delivery and costs.
